

# COUPE DE GRACE

## 5.91 MI | EASY

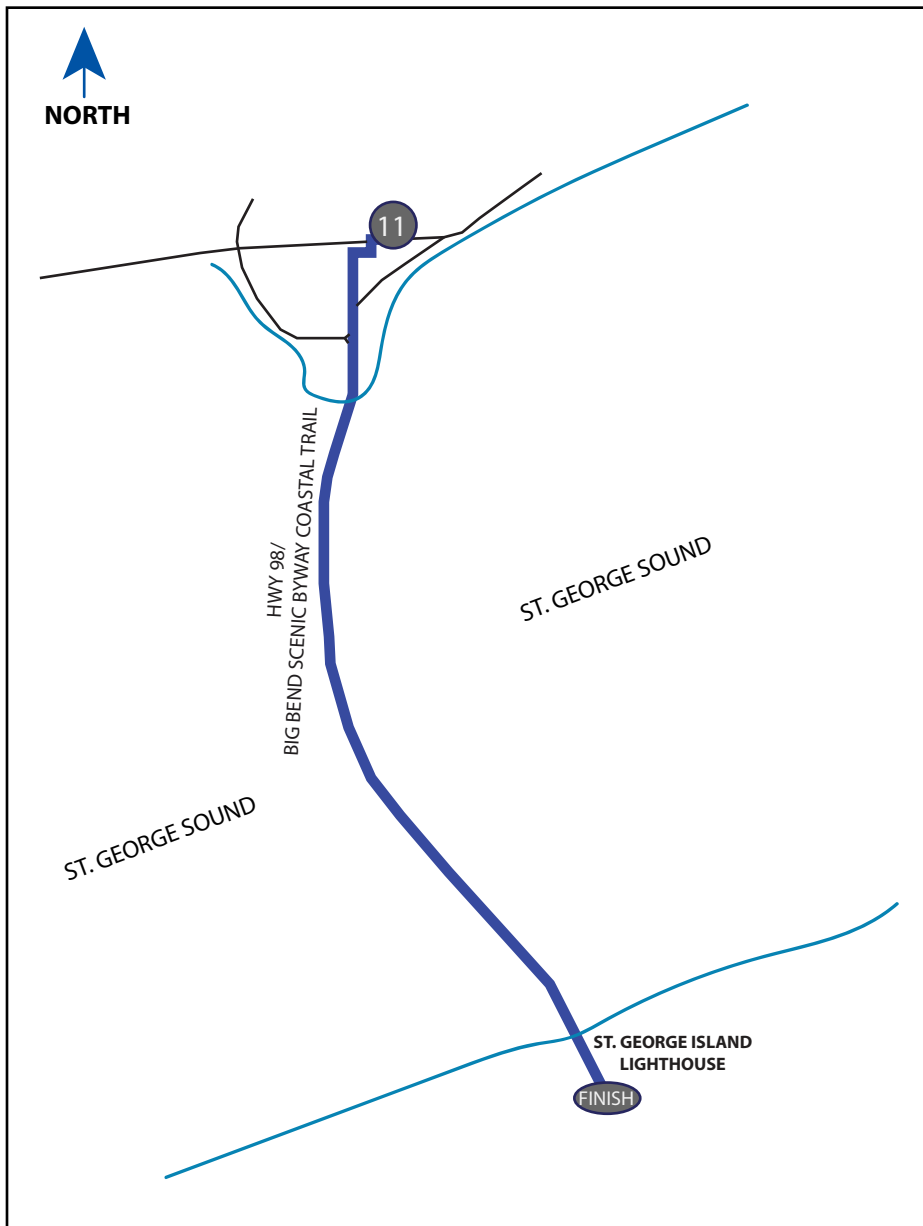

**LEG DESCRIPTION:** A flat and easy route going over the St. George Sound

**FINISH ADDRESS:** St. George Island Lighthouse, 2B E Gulf Beach Dr, Eastpoint, FL 32328

**GPS:** 29.661776, -84.863102

**NOTES:** This leg is much more the race's "decisive event" than a "death blow to end the misery". An Easy, 5.86-mile jaunt over a nearly 4.5-mile bridge that crosses the St. George Sound, runners and teams alike can expect to experience a 'release' as they traverse one of the course's most iconic, and picturesque legs. Runners will summit the bridge to a view of the historic St. George Island lighthouse – and the finish line just beyond. Teams will park and wait just beyond the lighthouse to link up with their last runner and collectively run to cross the finish line.....where a festive, finish-line beach party awaits!
