CAPTAIN CHECKLIST

TIMING CHIP

Your official team timing chip is on the back of one of your race bibs. It is a shiny silver rectangle. The bib **MUST BE WORN BY THE LEG 12 RACER.** Your official start time will be recorded by Eclectic Edge Racing at the start line, this timing bib worn by the Leg 12 racer will determine your official finish time.

PENALTIES (PENALTIES FORM ON PG 36)

Race officials record infractions as seen; teams are permitted to watch and report rule infractions committed by other teams. Teams that wish to report penalties (see “Race Rules” pg 12-14) must do so in writing within 1 hour of arriving at the Finish in Seabrook. Submit the written form at the Race Information Tent. Be specific and detailed. You must identify the offending team by number. The Rules & Penalities Committee will evaluate all incidents; their decisions are final. To enforce a penalty, infractions must be reported by two or more teams. This system has resulted in disqualifications.

OPEN CONTAINER POLICY

Absolutely no open containers or consumption of alcohol is allowed during the race or on the race courses! Teams found to be in violation are subject to disqualification and/or citation by Law Enforcement. Please save the celebration for the party at the Finish!

SEABROOK RELAY MERCHANDISE

Seabrook Relay merchandise will be available for purchase at the Finish. Exchange of unworn participant race shirts is subject to availability at the Finish Information Tent.

SEABROOK RELAY FINISH

**How to Finish as a team:** Team members often run/walk across the Finish Line with their anchor racer officially finishing the race. If your team chooses to do so, make sure your official Leg 12 (anchor) racer leads your team to the Finish Line. They will be wearing a bib with a teaming chip and will be credited with your team’s official finish.

**Results:** Results will be produced as often as possible throughout Saturday. Final results will also be posted at [https://hoodtocoast.com/one-day-relays/seabrook/](https://hoodtocoast.com/one-day-relays/seabrook/). If you do not agree or have questions regarding final results, please file a report prior to 7:00PM on Saturday at the Race Information Tent.
Medals: Medals will be presented to each team as the anchor runner/walker crosses the Finish Line. In the event of team disqualification, medals will be withheld and teams will be informed of the reason at the Race Information Tent. Medals must be picked up on Saturday or at the HTC office in Portland, OR at a later date. **THEY WILL NOT BE MAILED.**

Awards Ceremony: The TOP 3 Men’s, Women’s, and Mixed Overall Run and Walk teams will be announced SATURDAY. TOP THREE finishers in EACH CATEGORY can pick up their awards at the awards tent. Awards **WILL NOT BE MAILED** to teams who aren’t present. Other pick-up arrangements should be made.

All safety equipment must be presented at the Start Line. Participants will be held at an exchange and not allowed to participate without the proper equipment.

VEHICLE

NO STOPPING TO DROP OFF RUNNER
No stopping, when vehicles are moving, to drop off a runner/walker. This quickly causes congestion. No parking/dropping off teammates is permitted within 500 ft of an exchange! Vans must obey all exchange signage and issued parking instructions.

NO VEHICLES FOLLOWING PARTICIPANTS
No vehicles will be allowed to follow behind participants. Keep it moving!

NO PARKING PRIOR TO EXCHANGE
No parking is allowed along the road within 500 feet prior to an exchange. Parking is allowed in designated areas only after the exchange point marker. Please park off the road as far as possible, watch for participants, and stay alert to other traffic.

VEHICLE REQUIREMENTS
Your team vehicle must not exceed 80” wide or 23’0” long. Vehicles must be equipped with seat belts for all passengers. No motor homes, buses or limos allowed. One (1) team vehicle is permitted on course.
RACE RULES

CONDUCT

ON COURSE CONDUCT
Any conduct deemed unsafe or unsportsmanlike by Race Officials will not be tolerated. Do not obstruct traffic, play loud music, yell, or honk horns at night in rural/neighborhood areas. No van decorations or team costumes that are overtly suggestive, sexual or that contain foul language.

30 MINUTE PENALTY

OBEY RACE OFFICIALS
Course volunteers, O.D.O.T. and traffic safety officials at exchanges are considered Race Officials. They have authority to disqualify a team (60 min. penalty minimum) for rule violations, abusive behavior or failure to follow instructions given by volunteers.

60 MINUTE PENALTY

NO ALCOHOL, MARIJUANA OR OTHER DRUGS
ANY participant or volunteer (seen by race officials or reported by two or more teams) with open alcoholic containers, marijuana or other drugs on the course will be disqualified. Depending on severity, team members may be banned from subsequent year’s participation as well. Save the party for the finish!

DISQUALIFICATION

NO BICYCLES OR DOGS
No bicycles or dogs are allowed to accompany participants on the race course.

DISQUALIFICATION

PUBLIC NUISANCE RULE
Participants who are reported to have littered, urinated, or defecated on private property will immediately be disqualified. Please use good judgement and be considerate of property owners along the course. Portable toilets and ample garbage containers are provided at each exchange point.

DISQUALIFICATION
PARTICIPANT ROTATION VIOLATION 60 MINUTE PENALTY
All teams are to rotate their team members in the same sequence throughout the race, not consecutively in a row. Participants cannot run/walk back to back legs. See pg. 17 for substitutions and sequence info.

MIXED DIVISION PARTICIPANT SUB VIOLATION 60 MINUTE PENALTY
If a runner/walker on a Mixed Division team becomes injured and drops out during a leg, the injured runner/walker must be replaced with the next team member in rotation of the same gender. See pg. 17 for substitutions and sequence info.

PARTICIPANT DROP OUT VIOLATION 60 MINUTE PENALTY
If a team member drops out due to injury or illness during a leg, only the next runner or walker in rotation can take the wrist wrap and continue (but only to the next exchange point). The next person in rotation can only finish the unfinished portion of the previous leg and go no further. A handoff must occur at the exchange point to the next participant in rotation. No more than one substitution in one leg is allowed. See pg. 17 for substitutions and sequence info.

TRAVEL ON THE LEFT 60 MINUTE PENALTY
Participants are to travel along the left shoulder of the roadway at all times, unless officially instructed otherwise.

GROSSLY INACCURATE RACE PACE SURVEY DISQUALIFICATION
Teams that start the race early or finish over 2.5 hours faster than their anticipated finish time will be disqualified and all teammates risk being banned from future participation.

START TIME VIOLATION
Teams who violate their start time and begin the race at any other start wave will be disqualified.

WALKING TEAMS FOUND RUNNING DISQUALIFICATION
Teams registered for the walking relay must walk at all points in the relay. Racewalking is considered a fast walk while maintaining continuous foot contact with the ground and keeping the supporting leg straight.

RECRUIT TEAMMATES

Connect with runners/walkers looking for a team or teams looking for runners/walkers by visiting www.facebook.com/hoodtocoast. Chat with fellow participants, ask questions, and post to recruit other runners! Discussions range from teams looking for additional runners, to exchanging tips/advice and logistics.

TEAM TIME

No special seeding requests for starting times will be accepted. Teams that violate their assigned start time will be disqualified and subject to suspension from participating in future events. It should be understood that the start time for any Seabrook Relay team could result in a 7:30pm finish Saturday evening at Seabrook.

RACER SUBSTITUTION

No runner/walker may drop out of the race solely for the purpose of the team substituting a faster participant in their place. If a runner/walker is forced out due to injury or illness, they MAY NOT be reinstated into the team lineup. The team must finish the event with the remaining runners/walkers moving forward in the same sequence. No alternates may be added once the team has started.

LEGS

All teams are to run/walk their members in rotating legs and in the same sequence of rotation throughout the race. Runner/walker on Leg 1 would thus run Legs 1 and 7. When determining who will run/walk each leg, (besides distance and leg rating), captains should consider the following:

- Time of day racers will encounter each leg
- Leg’s exposure to sun and/or wind
- Variable weather
- Racer ability/fitness
- Racer familiarity with the area
- Access to support vehicle
- Racer willingness to run/walk on a gravel (and potentially dusty) road

The combination of the first three of these is perhaps the most crucial. Some legs are notorious for brutal sun exposure during the day. Do not overlook the weather.
TEAM STRUCTURE

SUBSTITUTION PROCESS
If a racer drops out due to injury or illness during a leg and isn’t able to walk to the next exchange, the next racer in rotation may take the wrist wrap and continue to the end of that leg. The next leg must be completed by the following racer in rotation.

MIXED CATEGORY PROCESS:
If a racer on a Mixed Category team becomes injured or ill and drops out during the leg, the explanation above applies with the added condition that the replacement racer must be of the same gender. A minimum of five (5) legs must be completed by female racers otherwise the team will be reclassified into the Men’s Category.

RACER OFF COURSE
Monitor/guide your teammates through the course. In the event of a wrong turn, racers must return to the point along the route where the error occurred and resume the race. Do not mark turns on the roads/course! Teams are responsible for educating teammates on the course route/directions!

IMPORTANT
Every person running/walking on race day MUST be officially registered, or your team will be disqualified. Add/subs can be submitted via one day relay login or my emailing office@htcrelay up until race day. Race day Adds/Subs must be filled out on forms provided at the Start ($25 late fee).

SAFETY

EMERGENCY PROCEDURE
In an emergency, call 911 and locate the Exchange Leader or Radio Operator at the nearest Exchange. Medical care and first aid safety is the responsibility of each team and participant. Each team needs to be prepared to care for the common medical needs of their racer, and should have a first aid kit prepared. **You and your teammates MUST write important emergency contact and medical info on the back of your race bibs!**

COMMUNICATIONS
Radio Communication Operators are at all exchange zones along the race course. Ham operators’ primary responsibility is communication for emergencies, but they also help with logistical issues. If you see anyone hurt, please get their race number, exact location, and nature of the emergency, if possible. Report this information to radio operators at the next Exchange. They are capable of calling in full emergency medical, police, and fire response.

RUNNING/WALKING IN DARK
Participants must wear a reflective vest, front and back LED flashers, and carry a flashlight or wear a headlamp before 7:00am and after 6:00pm (reflective vest only from 7:00am-9:00am) while running/walking. Teammates/support personnel are highly encouraged to wear a reflective vest and LED flasher when not inside the race vehicle, while on the course or at an exchange.

Acceptable reflectivity must be present on the front and back of the participant during the hours listed above. Reflective striping on a shirt or vest must be at least 1/3” thick. Reflectivity on shorts, pants or hats does not count towards meeting the minimum requirement. A reflective vest or Y reflective harness are acceptable, whereas a reflective belt, reflective cloth and/or reflective sleeves will not be accepted. We do not specify what kind of flashing light as long as it is LED.

Runners/walkers must understand there are NOT any police promised to protect them from vehicle traffic along the course. Great care must be exercised at all times by racers and team vehicles. At several exchanges, Seabrook Relay hires professional traffic flaggers; obey their signals.

GIVING ON-COURSE AID/SUPPORT
Maintain contact with your van within reason along the course. DO NOT follow behind runners/walkers! Vans can pull in a safe area (off the road)! Don’t obstruct traffic! No team members or spectators are allowed to cross busy highways or streets with the purpose of giving aid or support to participants running/walking along the side of the road! Team vehicles MUST safely cross over to the other side of the road to the location of the racer, park and then commence support.
WAITING RUNNERS/WALKERS who will complete the next leg MUST line up single file along the exchange zone shoulder of the road behind the EXCHANGE POINT. Faster team racers are to be towards the front. Step out of the CHUTE into the EXCHANGE ZONE as your teammate approaches. Racers finishing must exit the exchange zone promptly and follow any issued instructions.

VAN DRIVERS: Please pay close attention to race officials and course volunteers. Some Seabrook Relay exchanges are limited in space and require attentive drivers/racers.

The race course will officially close Saturday evening at 7:00PM. Any teams remaining on the course at the time are requested to either discontinue the race, or finish by running/walking simultaneous racers (only if instructed by Race Officials and given a “LeapFrog” to turn in at the Finish). If your team has been honest in supplying race pace times, everyone should finish no later than 7:00PM. This means some exchanges may close before 7:00PM due to scheduling.
DRIVER GUIDE

DRIVE THE COURSE BEFORE THE RACE

- Take note of where all turns are located.
- Identify exchange zones and other areas prone to traffic congestion.
- Take note of potential stop areas where the van can provide racer support.
- Know the locations of food and restrooms. Don’t violate the law by going on private property.
- Locate gas stations, fuel up prior to the start of the race.
- Become aware of areas where vans won’t be in contact with their runner and how to deal effectively.
- Cell phone coverage may not be available throughout the course. Reception is spotty on many legs.
- Vans will follow the course with runners/walkers on all legs.

SAFETY AGREEMENT

To keep the roads safe for all participants, team vehicles and community residents, we annually partner with law enforcement to create a “Safety Agreement” that all teams must follow.

This agreement must be turned in at the Start Check-In Area. FAILURE TO TURN IN YOUR TEAM SIGNED SAFETY AGREEMENT WILL RESULT IN BEING PROHIBITED FROM STARTING THE RACE.

Teams and drivers are responsible for their own safety, as well as the safety of others traveling along the relay route. Motorists and relay participants rightfully deserve and appreciate safe roads. Thanks for driving safely!

Seabrook Relay is conducted on open roads and is open to all traffic (unless specifically stated by Race Organizers). All teams agree to abide by the following regulations:

• All state traffic laws shall be obeyed at all times while operating your Team Vehicle.
• Violators of any Motor Vehicle laws are subject to ticketing by law enforcement at all time. (Seabrook Relay is exempt from any responsibility or liability for illegal acts, and will report illegal acts if witnessed).
• Team Vehicles must completely pull off to the side of the road when stopping to assist teammates and not block the path of racers. (Vehicles are required by law to be over the fog line and not in traffic lanes. Racers are required to use the shoulders when available; team vans must exit the roadway completely to be clear of traffic and racers on the shoulder).
• Team Vehicles shall not block the roadway or race course at any time.
• Team Vehicles shall not block private residential driveways or roadways.
• Team Vehicles shall respect neighborhoods and others along highway and roads. The use of a horn (unless as a reasonable warning) and playing loud music may be unlawful.
• Team Vehicles may need to drive slower than the posted speed limit, but shall not impede traffic or follow on roads behind a racer.
• Team Vehicles shall obey the speed laws at all times.
• Open containers of alcoholic beverages are prohibited in any motor vehicle at all times when on a public highway.
• Team Vehicles shall obey drinking and driving laws at all times.
• Team Vehicles shall obey littering laws at all times.
• Teams agree to use approved restrooms and port-a-potties, exclusively at all times.
• Except in an emergency, all drivers shall obey Oregon's cell phone law. Avoid distractions- no texting. Use hands-free devices.

On behalf of my teammates, I have read the above ‘Saftey Agreement’ and concur that our team will abide by all Oregon traffic safety laws and Main Race Rules (pg 12-14). Failure to adhere to this agreement could result in my team’s disqualification.
