

PROVIDENCE 32ND ANNUAL

127 MILES

# PORTLAND TO COAST

WALK RELAY 2023

# WELCOME TO THE MOTHER OF ALL RELAYS

The Mother of All Relays adventure with the 32nd annual Providence Portland To Coast Walk Relay starts along the river of the City of Roses and traverses iconic scenery for 127 miles to the Pacific Ocean with an awesome party on the beach! Each Portland To Coast Walk Relay brings its own authentic vibe, just like the teams who walk in it and bring their own unique energy and enthusiasm. Thanks for being part of the experience, in the 30th straight year of selling out and 24th straight year of capping the lottery on opening day of registration!

The Portland To Coast Walk has unquestionably progressed since beginning in 1991, with a handful of competitive walkers. Yet each of us understand that at its essence, this longstanding walk relay has remained unchanged in spirit.

Each of us has been impacted either directly or through family or friends with cancer. This has given us at Portland To Coast a higher purpose as well. Scientific breakthroughs are delivering results at the Providence Cancer Institute, considered to be one of the top cancer research and treatment centers nationwide and at the forefront of immunotherapy. Helping this renowned institute improve the lives of people with cancer, while strengthening the health of our communities, creates real progress. You and your teammates can support this mission by fundraising:

<https://tinyurl.com/yc2mt5et>

Additionally, here are some highlights in this year's race:

- Download the Hood To Coast App (available in early August) to skip the lines at the Start Area with the Alaska Air Team Pre-Check. Additional resources are in the App as well!
- Incredible Finish Party festivities on the beach, including CJ Mickens Band (6:45pm-11:00pm) and music bands throughout the day and evening to keep you rockin'!
- Race official volunteers are provided with a free, new reflective vest and race official shirt to wear and keep, as well as customized online training.
- For teams deemed "local" – three volunteers are needed to support the 127 mile race course. These volunteers will watch online training and pass the multiple choice questions (available online July 6 – Aug 2).

If considered a local team, someone from your crew should pick up your event bag (race shirts, race bibs, partner swag) from the HTC/PTC Office DRIVE THRU PACKET PICKUP (7236 SW Durham Rd #800, Portland, OR 97224) from 9:00am-2:00pm, August 9 – August 11.

Thank you for joining our Portland To Coast Walk community! Can't wait to see what memories you make!

Felicia Hubber  
Chairwoman & Race Director

# CAPTAIN'S CHECKLIST

## TRAVEL/ACCOMMODATIONS

Plan ahead! PTC Relay staff are available to answer questions regarding team vehicle, hotel, and flight reservations. E-mail [office@htcrelay.com](mailto:office@htcrelay.com) with questions. As the Official Airline of the Hood To Coast/Portland To Coast Relays, Alaska Airlines is pleased to provide discounted travel for Portland To Coast participants. Registered participants receive an e-mail with a 10% travel discount information and booking link for the 2023 Relay! Check the Hood To Coast website for a discounted booking link at the HTC Headquarter Hotel, AC Hotel.

PORTLAND, OREGON

## VANS AND VAN DECORATION

Teams are encouraged to make a sign for each of their vehicles that reads: **"CAUTION: WALKERS ON ROAD"** to place in the rear of the vans. Download and print free Caution signs on the PTC website. Vans may not follow behind their walker.

Each team is limited to two vehicles, preferably a passenger van or SUV. All passengers must wear seat belts when in the vehicle. No vehicles wider than 80" or longer than 23'-0". No motor homes, buses or limousines will be permitted. Failure to abide by this rule will result in disqualification.

Each team will be issued four signs, two are colored and two are white. On Van 1 securely tape white signs on the front and rear driver side windows. On Van 2 securely tape colored signs on the front and rear driver side windows. The colored sign is required to access legs #19-23 and #32-36. Both signs need to be clearly visible.

**REFRAIN FROM THE USE OF FOUL OR OVERLY SUGGESTIVE LANGUAGE FOR DECORATIONS. HAVE FUN, BUT PLEASE USE GOOD JUDGMENT.** To be as respectful as possible to the communities we pass through, race organizers prohibit music from being played outside the team vehicle on loud speakers!

## VOLUNTEERS

Teams with at least one member residing within a 100 mile radius of Portland are considered local and required to provide three race volunteers. Don't bring children or dogs. Volunteers should be assertive and have positive attitudes! Captains are responsible for ensuring that their volunteers each take (and pass) the mandatory online training, are at their appointed job at the designated time, and fulfill the required tasks. **Volunteers receive shirts on-site, as well as a brand new, free PTC reflective vest to take home at the end of shift.** Bring a flashlight and two LED flashers for a night shift. If a volunteer cannot report, it is up to the team to find a replacement and make sure they report to their specific volunteer location. Please note the volunteer code of conduct online and within volunteer training.

<https://hoodtocoast.com/htc/volunteer-info/>

## REQUIRED TEAM SAFETY EQUIPMENT

Each team MUST have the following set of items in each of their vans and present them for inspection on the HTC App or at the Check-In Tent.

- **Two reflective vests**
- **Two LED flashers**
- **Two flashlights, headlamps, or hats with light.**

\*While it is highly recommended to have a **First Aid Kit** in your van, this is not a required item at Check-In.

## START LINE CHECK-IN PROCEDURE

The START is located at the OMSI gravel lot at the end of SE 2nd Place, adjacent to the Tilikum crossing, at 2201 SE Water Ave, Portland, OR, 97214. The 2023 Portland To Coast Relay begins Friday, August 25, with start times waves occurring every 5 minutes. **DON'T BE LATE!** To avoid congestion through the local communities only one team vehicle (Van 1) recommended to be present at the Start. Non-local teams are to receive their packets, race numbers, vehicle signs, and T-shirts at the Start. Arrive 30 minutes prior to your Start Time to collect these materials and officially check in. All local teams pick up shirts, race numbers, and supplies two weeks prior to the event at the drive through packet pickup on Aug 9-11 from 9AM-2PM at the HTC Office ([7236 SW Durham Rd, Suite 800, Portland, OR, 97229](https://www.hoodtothecoast.com/locations/7236-SW-Durham-Rd-Suite-800-Portland-OR-97229)). All teams can show safety equipment by taking a picture within the HTC App by Thursday, August 24 @ 6PM.

### VAN 1 CHECK-IN PROCEDURE AT PORTLAND TO COAST START:

1. 30 minutes prior to your team's assigned Start Time, go to the Team Check-In Tent Equipment Check Area and have someone from your team (know your team number, only one person needs to go and this does not need to be the team captain) present the team's check-in approval within the HTC App or if you did not check-in on the app, present your working safety gear (**two reflective vests, two LED flashers, and two flashlights, headlamp, hat with headlamp, or Knuckle Lights**). Your team will then receive your office race baton. Non-local teams will also receive race bags, race bibs, and shirts. Without the official Race bibs and approved Safety Equipment, a team will not start the race.
2. Teams scheduled to start in each upcoming wave will have their team name/number announced five minutes prior to scheduled start. The first walker must be at the Start Line. Teams cannot start before their assigned start time!

**VAN 2 WILL RECEIVE BIBS FROM VAN 1.**

## TIMING CHIP AND RACE BIBS

Van 1 will be issued all 12 bibs at the Start Check-In. Van 2 should receive their 6 bibs from Van 1. Van 2's bibs should include one with a shiny silver timing chip on the back. This bib **MUST BE WORN BY THE LEG 36 RACER**. Your official start time will be recorded at the start line, and this timing bib worn by the Leg 36 racer will determine your official finish time. Each participant must fill out the emergency contact information on the back of the bib in case of an emergency.

## PENALTIES

Race officials record witnessed infractions and teams are permitted to report rule infractions committed by others. Teams that wish to report penalties (see 'Race Rules' pg 20-21) must do so in writing within 1 hour of arriving at the Finish. You must identify the offending team by number. The Rules & Penalties Committee will evaluate all incidents; their decisions are final. To enforce a penalty, infractions must be reported by two or more teams. This system has resulted in disqualifications.

## OPEN CONTAINER POLICY

**Absolutely no open containers or consumption of alcohol is allowed during the race or on the race course!** Teams found to be in violation are subject to disqualification and/or citation by Law Enforcement if witnessed by race officials or other staff. Please save the celebration for after finishing the event!

## OFFICIAL MERCHANDISE

Hood and Portland To Coast apparel will be available at the Start and Finish Lines. **VISIT** [shophoodtocoast.com](https://shophoodtocoast.com) to order ahead of time for best available inventory! Shirts, jackets, hats and HTC buffs are all available!

# PTC FIRST TECH FINISH

The First Tech Finish Line is located on the beach, north of the turnaround of Broadway Avenue in Seaside, Oregon. Traffic and parking are very limited in Seaside; so plan ahead. Free event shuttle runs every 15 minutes from Northcoast Family Fellowship Church on leg 36. Larger lots at the Seaside High School and Convention Center should have available parking.

**Finishing as a Team:** Team members are welcome to walk across the First Tech Finish Line alongside their anchor walker completing the race. Make sure your official Leg 36 (anchor) walker leads your team to the Finish Line. By wearing a bib with the timing chip, they will be credited with your team's official finish. Teams awaiting their anchor walker should look for the "Team Waiting" signs near the finish banner.

**Updated Finish Results:** Final results will be posted online on the HTC App and <https://hoodtocoast.com/htc-ptc> by Sunday. If you have questions or concerns regarding your finish time, please file a report prior to 8:30pm on Saturday to the Race Rules Tent.

**Finisher Medals:** Medals will be presented to each team as the anchor walker crosses the Finish Line. Medals must be picked up Saturday or at the HTC office in Portland, OR at a later date. **THEY WILL NOT BE MAILED.**

**T-Shirt Size Exchange:** Exchange of unworn participant race shirts is subject to availability at the T-shirt Swap Tent on the beach.

## FIRST TECH FINISH AREA ON THE BEACH

**Food and Beverage:** Hood and Portland To Coast welcomes back Century Catering to the 2023 First Tech Finish Party for a variety of delicious options.

**Beer & Wine:** On the beach, at the First Tech finish area party, come relax and enjoy offerings from Michelob ULTRA, Michelob ULTRA Seltzer, 10 Barrel, 101 North Wine, or a Titos Cocktail! Bring ID, proof of legal age is required. DON'T DRINK AND DRIVE. BE RESPONSIBLE. Open containers on the prom are illegal and law enforcement will issue citations.

**Center Stage:** Throughout the day Saturday, we'll host live DJ music, along with a live performance from 6:45-11:00pm by headliner, **CJ Mickens Band**, on Saturday evening on the beach. Plan on dancing into the night to an energetic and most entertaining Northwest favorite!

**First Tech**  
federal credit union

## FOLLOW ALONG

Want to follow along with other 2023 Portland To Coast participants? Share your pictures on social media using #PTC23 and tagging us on Instagram @htcrelay or Facebook @hoodto Coastrelay

## AWARDS CEREMONY

Saturday, 6:30PM-8:00PM, Hood and Portland To Coast awards will be available to the TOP SIX teams in EACH CATEGORY to be picked up. Awards **WILL NOT BE MAILED** to teams who aren't present. Other pick-up arrangements should be made.

Results can be found Saturday evening on the HTC website.

## WASTE PREVENTION

### RECYCLE WITH US!

Bring large (e.g. 5- or 7-gallon) water jugs in your van, and be sure to bring your reusable water bottles to refill along the race course, in order to avoid using as many disposable plastic bottles as possible.

Buying Gatorade/electrolyte-enhanced beverages in bulk powder form reduces waste, saves space, and is much cheaper as well! Use ClearStream recycling receptacles (for empty plastic bottles and aluminum cans only) at the Start, every exchange, and at the First Tech Finish Party.

You will also be provided a BottleDrop bag which we encourage you to use to collect any redeemable beverage containers you may have. All proceeds from this program support our charitable partners!

Avoid landfill items where possible, and please sort your recyclables out of landfill-bound waste.

Download the HTC app on your phone to eliminate the need for printing additional handbooks.

The sorting guide can be found on page 15.

## CINDIE MCKENNA

*Cindie McKenna was born in Van Nuys, California, and moved to Oregon in 1971. She began walking shortly after joining the Air Force in 1975. In 1982 she began participating in marathons and started walking ultramarathons in 1984. She ran Hood To Coast solo in 1995, 1996, and 1997 as a one-person team called Grit, Sweat and Tears.*

"I was not worried I wasn't going to finish—I just wanted to make sure I finished in less than 48 hours. Bryon, Mike, and Tim kept me aware of how I was doing and let me know I was ahead of schedule. It really helped raise my spirits. I was even able to pick up my pace the last few stages. Fortunately, the idea to match the start to my body clock and when the sun was out seemed to reenergize me, as I was approaching the finish in the light of day. And being among all the other teams and walkers, as well as their support vehicles, really helped motivate me to reach my goal. In my third try I finally accomplished my goal, completing the course solo in 47 hours and 47 minutes.

Walking 196 miles from Mt. Hood to the Oregon coast solo is not a simple undertaking. It took a team effort, with Bryon, Mike, Tim, and Gunner all playing key roles on the team. Bryon was responsible for the logistics and was also on the receiving end of my unpleasant moods during times when I was tired and irritable. Mike was gracious enough to provide support and pace me during all three years. Tim was a master motivator to me and to all ultrawalkers. Gunner provided support and ran with me during parts of the race.

The total team was really everyone who supported me, suffered along with me, stayed up throughout the night, and dealt with the multiple phases of the crazy, tired ultrawalker mood swings. Thanks to all for such great memories."

Adapted from *Hood To Coast Memories*

# INCLUSION AND MULTICULTURAL ENGAGEMENT ADVISORY COMMITTEE

## MISSION

THE INCLUSION AND MULTICULTURAL ENGAGEMENT (IME) ADVISORY COMMITTEE  
RECOGNIZES AND APPRECIATES DIVERSITY AND COMMITS TO EQUITY THROUGH  
INCLUSIVE EVENT ENGAGEMENT SO THAT WE DEEPEN TIES WITH DIVERSE PARTICIPANTS  
AND VOLUNTEERS, AND WE PROMOTE HEALTHY LIVING AND SOCIAL JUSTICE IN THE  
BROADER RUNNING AND WALKING COMMUNITY.

**“CREATING AN INCLUSIVE RACE COMMUNITY”**

## COMMITTEE MEMBERS:

Bret Barnum | Karol Collymore | Nirav Dalal | Antonio Harris | Hector Ignacio | Carrie Kalscheuer |  
Renee Rank Ignacio | Ed Reilly | Curtis Carroll | Jessica Zdeb | Scott Hatley | Marcelle Abel |  
Nicole Ver Kuilen | Jay Williams | Dan Floyd | Felicia Hubber | Taylor Cole

# PACKING LIST

## CLOTHING

- Three sets of walking clothes
- Walking shoes
- Warm-ups
- Swimsuit/trunks
- Two (2) reflective vests per team
- Two (2) flashlights or headlamps per team
- Spare running shoes, sandals
- Spare shoe laces
- Running gloves
- Bandana (dusty/gravel legs 20 & 21)
- Sunglasses, glasses, contact lens solution
- Running GPS or other watch

## EQUIPMENT

- Two (2) LED flashers
- Large full water jugs to refill water bottles
- Reusable water bottles
- Bags to sort recycling from landfill bound waste
- Ziploc plastic bags for wet clothes
- Scotch tape (to tape team numbers to van windows)

## TOILETRIES

- Towel, washcloth (shampoo, hairbrush)
- Toothbrush/toothpaste
- Antiperspirant
- Sunscreen
- Bug spray
- Handi Wipes, antibacterial, hand sanitizer

## ACCESSORIES

- Earplugs
- First aid (blister/band aids, Icy Hot, aspirin, antacids)
- Instant ice packs, Ace Bandages
- Cell phone and charger
- Sleeping bag/small pillow
- Food/snacks
- Cash/credit card/photo ID
- Outside the ear audio/speakers
- Safety pins

## PRO PACKING TIP

Pack each running outfit in its own labeled Ziploc bag. This makes it easy to find your next outfit in the van AND gives you a place to put your dirty outfit after running!

## GOLD 100 CLUB

Hood To Coast and Portland To Coast Relay veterans who are verified by HTC staff/four attestors to have run or walked in 100 total legs of HTC or PTC from 1982 to present, will be commemorated with a golden relay baton to celebrate and thank you for your commitment to health and The Mother of All Relays! HTC has appointed a veteran representative to communicate with club members. If you would like to submit your qualifications to the Gold 100 Club, email [billfrith@comcast.net](mailto:billfrith@comcast.net) and [copy.office@htcrelay.com](mailto:copy.office@htcrelay.com)

# WASTE PREVENTION AT THE RACE

## #RACEMOREWASTELESS

**AVOID WASTE, SKIP THE PLASTIC**  
**RECYCLING IS GOOD, AVOIDANCE IS BETTER.**

**USE A REFILLABLE  
WATER JUG & BOTTLE**

Instead of individual plastic bottles.

### DID YOU KNOW?

A 7 gallon jug eliminates the need for 52.5 single use water bottles. Bring one 7 gallon jug or two 5 gallon jugs per van to keep your team hydrated.

**BUY SNACKS & ELECTROLYTE  
BEVERAGE MIXES IN BULK**

Rather than individually wrapped items.

### TIP

Better yet make your own snacks and pack in a reusable container.

**DOWNLOAD  
THE HTC APP**

....to eliminate the need for printing an additional handbook and to view the HTC Recycling Sorting Guide.

Let's get recycling right. Use this guide to separate your recycling from landfill bound trash at exchange points. Want to take it to the next level? Avoid bringing items on the landfill list where possible.

## PLAN FOR RECYCLING

RUN. SLEEP. **SORT.** REPEAT.

### RECYCLING

PLASTIC BOTTLES

PLASTIC JUGS

ALUMINUM CANS

FLATTEN & STACK TO THE SIDE

PAPER BOARD

CARDBOARD

### LANDFILL

PLASTIC FOOD CONTAINERS

PAPER ITEMS

PLASTIC BAGS  
AND SHRINK WRAP

GLASS

CARTONS

BAGS AND WRAPPERS

SERVICE-WARE

PLASTIC AND PAPER CUPS

FOOD SCRAPS

Please,  
empty  
your  
liquids.

When in doubt  
throw it out!

# TEAM STRUCTURE

## RECRUIT TEAMMATES

Walkers looking for a team and team captains looking for walkers can connect by visiting [www.htcteammatching.createaforum.com](http://www.htcteammatching.createaforum.com) or <https://www.facebook.com/groups/19545613048/>. Chat with fellow participants, ask questions, and post to recruit other walkers! Discussions range from teams looking for additional walkers, to exchanging tips/advice and logistics.

## TEAM TIME

No special seeding requests for starting times will be accepted. Teams that violate their assigned start time will be disqualified and subject to suspension in future events. It should be understood that the start time for any HTC team could result in a 9:00pm finish Saturday evening.

## WALKER SUBSTITUTION

No walker may drop out of the race solely for the purpose of the team substituting a faster participant in their place. If a walker is forced out due to injury or illness, they MAY NOT be reinstated into the team lineup. The team must finish the event with the remaining walkers moving forward. No alternates may be added once the team has started. (60 min. penalty if involved in improper substitution.) Walkers are to stay in team's rotational sequence unless extenuating circumstances are deemed necessary by race officials. Team rotation questions/concerns will be reviewed, if necessary at the Finish Line. **HTC/PTC allows out-of-order sequencing of teammates for those needing special accommodation (approved by HTC Staff) for safe leg selection and further inclusion of athletes with disabilities. Service dogs are allowed to accompany participants if approved by HTC/PTC prior to event. Please contact [office@htcrelay.com](mailto:office@htcrelay.com) for pre-approval process.**

## LEGS

When determining who will walk each leg, (besides distance and leg rating), Captains should consider the following:

- Time of day walkers will encounter each leg
- Leg exposure to sun and/or wind
- Variable weather
- Walker ability/fitness
- Walker familiarity with the area
- Van support
- Walker willingness to walk on a gravel and potentially dusty road

Walkers on any given leg can experience intense exposure to direct sunlight and may not have immediate access to their team support vehicle.

# THE HTC APP

The HTC App is back and built to benefit all HTC & PTCC participants and volunteers to make this the most memorable Mother of All Relays to date! Timing features include:

## **Team Pre-Check presented by Alaska Airlines**

Upload a photo of your safety equipment and check-in your team prior to race day. Beat the lines for safety equipment check-in on the day of the relay and instead use the quick and easy "pre-check" line to receive your official race wrist wrap at the start! Pre-Check Opens August 21st at 6:00AM and closes August 24th at 6:00PM!

## **Push Notifications**

Stay up-to-date with course messaging from HTC/PTC Staff throughout the duration of the relay.

**Participants may run/walk with their phone for communication with their team in areas with service.**

## IMPORTANT

Every person walking race day **MUST** be officially registered, or your team will be disqualified. Add/Subs can be submitted via "Team Clubhouse" (<http://register.hoodtocoast.com>) up until race day. Race day Adds/Subs must be filled out in the HTC App. (\$25 late fee).

# FROM RACE DAY TO RUNWAYS

# RACE RULES

30  
MIN

30 minute  
penalty

60  
MIN

60 minute  
penalty

DQ

Disqualification

The following rules are for the safety of participants. Violation will result in a time penalty or disqualification.

## RULES AND SAFETY ENFORCEMENT

Let's all play by the rules! Race Officials will be monitoring the course to enforce relay policies. Any rule infraction reported to race officials by two separate teams and deemed valid will result in automatic disqualification from the race course, and/or if at the Finish, withholding of race medals and potentially further ramifications. Race Officials may also disqualify teams on the spot without prior warning for what they deem to be serious rule violations.

## REPORT TEAMS BREAKING RULES

We will have Staff and Race Officials out on the course monitoring teams for adherence and safety to all rules. However, with 127 miles, we cannot be everywhere at once. We ask teams to help keep the course safe by reporting teams that are violating any HTC/PTC rules. Please report any violations to an exchange leader or at the race information booth at the finish party. Fill out a Penalties form at Race Information tent at the finish line and note:

- Who (including team # and description of person)
- What
- Where (leg, exchange, other)
- When

## GEAR

### RACE NUMBERS

Race bibs must be worn at all times. The race bib with the timing chip on the back must be worn by the Leg 36 racer. **Racers emergency contact info MUST be completed on the back of their bib.**

### REQUIRED SAFETY GEAR

From 6:00pm - 7:00am, all participants on the course must:

- wear one front and back LED flasher
- carry flashlight, wear headlamp, or wear hat headlight
- wear reflective vest (this must be worn until 9:00am)

**All teams can take advantage of digital, contactless check-in by taking a picture of all safety gear within the HTC App.** Once approved by admin, your team will be ready to go at your assigned team start time. Participants will be held at an exchange and not allowed to participate without the proper equipment.

## APPROVED VESTS

## UNAPPROVED VESTS

## VEHICLE

### NO STOPPING TO DROP OFF WALKER

No stopping, when vehicles are moving, to drop off a walker. This quickly causes congestion. No parking/dropping off teammates is permitted within 500 feet of an exchange! Vans must obey all exchange signage and issued parking instructions.

### NO VEHICLES FOLLOWING PARTICIPANTS

No vehicles will be allowed to follow behind participants. Keep it moving!

### NO PARKING PRIOR TO EXCHANGE

No parking is allowed along the road within 500 feet prior to an exchange. Parking is allowed in designated areas only after the exchange point marker. Please park off the road as far as possible, watch for participants, and stay alert to other traffic.

## DISPLAY OF TEAM VEHICLE SIGNS **60**

Teams are provided with two white and two colored signs for course vehicles. Teams must display signs in the front and back rear windows of the van in such a way as to be easily seen by race officials (White-Van 1, colored-Van 2). We recommend using masking tape.

## VEHICLE REQUIREMENTS **DQ**

Team vehicles must not exceed 80" wide or 23' 0" long. Vehicles must be equipped with seat belts for all passengers. No motor homes, buses, or limos allowed. Two (2) team vehicles are permitted on course. On Legs 19-23 and 32-36 only one team vehicle is permitted on the Relay route; the other vehicle must use the alternate handbook routes shown. Van decorations may not include overly suggestive or foul language.

# CONDUCT

## ON COURSE CONDUCT **30**

Any conduct deemed unsafe or unsportsmanlike by Race Officials will not be tolerated. Quiet hours are to be observed from 10:00pm - 6:00am. No loud noise, music, or yelling during quiet hours. No van decorations or team costumes that are overtly suggestive, sexual, or that contain foul language.

## OBEY RACE OFFICIALS **60**

Course volunteers, O.D.O.T. and traffic safety officials at exchanges are considered Race Officials. They have authority to disqualify a team (60 min. penalty minimum) for rule violations, abusive behavior, or failure to follow instructions given by volunteers.

## NO ALCOHOL, SMOKING, MARIJUANA OR OTHER DRUGS **DQ**

ANY participant or volunteer (seen by Race Officials or reported by two or more teams) smoking, with open alcoholic containers, marijuana or other drugs on the course will be disqualified. Depending on severity, team members may be banned from subsequent year's participation as well. Save the party for the finish!

## USE SLEEPING FIELDS **DQ**

Participants may only use designated areas to sleep (roped off with caution tape). Tents are allowed at Exch 18 and Exch 24. Sleeping field at Exch 30, but no tents. NO sleeping on the ground next to vehicle only in designated sleeping areas.

## PUBLIC NUISANCE RULE **DQ**

Participants who are reported to have littered, urinated, or defecated on private property will immediately be disqualified. Please use good judgment and be considerate of property owners along the course. Portable toilets and ample garbage containers are provided at each exchange point.

# RACER

## TRAVEL ON THE LEFT **60**

Participants are to travel along the left shoulder of the roadway at all times, unless officially instructed otherwise (14-16)

## GROSSLY INACCURATE RACE PACE SURVEY TIMES **60**

Teams that start the race early or finish over 2.5 hours faster than their anticipated finish time risk being disqualified and all teammates may be banned from future participation.

## 3 VOLUNTEERS PER TEAM **DQ**

Local teams are responsible for ensuring all of their volunteers show up at the appointed time, to their assigned job and fulfill the tasks required. If a volunteer cannot report to duty, it is up to the Team Captain to find an alternate volunteer and make sure they report to the appointed job site. Failure of a volunteer assignment to be fulfilled will result in team DQ.

## START TIME VIOLATION **DQ**

Teams who violate their start time and begin the race at any other start wave will be disqualified.

CARBS | CALS

# THANK YOU VOLUNTEERS!

The Mother of all Relays wouldn't be possible without support from 3,600 dedicated volunteers along the course! The provision of three (3) volunteers per local team ensures that all participants have a well supported and safe event. For complete volunteer requirements visit: <https://hoodto coast.com/htc/volunteer-info/>

## DID YOU KNOW?

Hood & Portland To Coast was the first certified B Corp in the running/ walking industry?

# COURSE GUIDELINES

**Exchanges** are marked by chalk and exchange number flags. Portions of this course do feature gravel stretches, so bring bandanas/painter's masks.

**Waiting Walkers** who will walk the next leg should step out of the CHUTE into the EXCHANGE ZONE as your walker approaches. Walkers finishing must exit the exchange zone promptly.

**All Spectators** **MUST** remain on the **RIGHT SIDE** of the road. Walkers are to walk along the left side of the road except as indicated in the Team Handbook (legs #14 through #16).

The race course will officially **close Saturday evening at 9:00pm**. Any teams still on the course at that time are requested to either discontinue the race, or finish by walking simultaneous walkers (only if instructed by Race Officials and given a 'LeapFrog' to turn in at the Finish). If your team has been honest in supplying race pace times, everyone should finish no later than 9:00PM. This means some exchanges (33, 34 and 35) may close before 9:00pm due to scheduling.

## DID YOU KNOW?

In 1994, the event allowed an all rollerblade team to participate? They wanted to come back the following year but organizers said that was the one and only time after seeing their rollerblade wheels smoking going downhill!

## TRIVIA

In which year did Kevin Hart participate with a team in the event?

- 2015
- 2016
- 2017
- 2018

Answer: 2016

# SAFETY

## EMERGENCY PROCEDURE

In an emergency, call 911 and locate the Exchange Leader or Radio Operator at the nearest Exchange. Medical care and first aid safety is the responsibility of each team and participant. Each team needs to be prepared to care for the common medical needs of their walker, and should have a first aid kit prepared. **You and your teammates MUST write important emergency contact and medical info on the back of your race bibs!**

## COMMUNICATIONS

Radio Communication Operators are at all exchange zones along the race course. Ham operators' primary responsibility is communication for emergencies, but they also help with logistical issues. If you see anyone hurt, please get their race number, exact location, and nature of the emergency, if possible. Report this information to radio operators at the next Exchange. They are capable of calling in full emergency medical, police, and fire response. Radio volunteers register via: <https://ham.hoodtocoast.com/>

## WALKING AT NIGHT

Maintain contact with your van within reason along the course. DO NOT follow behind walkers! Vans can pull in a safe area (off of the road)! Don't obstruct traffic! **Participants must wear a reflective vest, front and back LED flashers, and carry a flashlight or wear a headlamp from 6:00pm through 7:00am (through 9:00am for reflective vest only) while walking. THIS IS STRICTLY ENFORCED.** Teammates/support personnel are highly encouraged to wear a reflective vest and LED flasher when not inside the race vehicle, while on the course or at an exchange.

Acceptable reflectivity must be present on the front and back of the participant during the hours listed above. Reflective striping on a shirt or vest must be at least 1/3" thick. Reflectivity on shorts, pants, or hat does not count towards meeting the minimum requirement. A reflective vest or Y reflective harness are acceptable, whereas a reflective belt, reflective cloth, and/or reflective sleeves will not be accepted. We do not specify what kind of flashing light, as long as it is LED.

## HYDRATION & FIRST AID

First Aid Stations are not provided. BE PREPARED. CARRY LARGE WATER CONTAINERS in your vans to refill. The average team is on the course for 29 hours, so continually hydrate and carry ice/ice packs in your team vehicle!

Walkers must understand there are NOT any police promised to protect them from vehicle traffic along the course. Great care must be exercised at all times by racers and team vehicles. Racers proceed on the right side of the road for the majority of legs and must obey all traffic laws. At several exchanges, PTC hires professional traffic flaggers; obey their signals.

## GIVING ON COURSE AID/SUPPORT

**No team members or spectators are allowed to cross busy highways or streets with the purpose of giving aid or support to participants walking along that side of the road!** Team vehicles MUST safely cross over to the other side of the road to the location of the walker, park, and then commence support.

## INCLEMENT WEATHER

With certain severe weather conditions where the welfare of participants is at risk, or where significant damage or alterations to the race course occur, PTC organizers reserve the right to cancel the event. No refunds will be given if the race is canceled due to weather. Conditions that may result in the relay being canceled or delayed include but are not limited to the following: severe heat, electrical storm, snow, earthquakes, hurricanes, flooding, fog, etc. If there is extreme heat during the race we reserve the right to hold teams until the temperature drops. If there is lightning at the start of the race that organizers deem unsuitable for participating, PTC reserves the right to delay starts or hold the race until the lightning clears.

# 2023 COMMITMENT TO PORTLAND TO COAST TRAFFIC SAFETY

To keep the roads safe for all 18,000 participants, team vehicles and community residents, we annually partner with law enforcement to create a 'Safety Agreement' that all teams must follow. Teams and drivers are responsible for their own safety, as well as the safety of others traveling along the relay route. Motorists and relay participants rightfully deserve and appreciate safe roads. **Thanks for driving safely!**

**The Portland To Coast Relay is conducted on open roads and is open to all traffic (unless specifically stated by Race Organizers). All teams agree to abide by the following regulations:**

- All state traffic laws shall be obeyed at all times while operating your Team Vehicle.
- Violators of any Motor Vehicle laws are subject to ticketing by law enforcement at all times. (HTC is exempt from any responsibility or liability for illegal acts, and will report illegal acts if witnessed).
- Team Vehicles must **completely** pull off to the side of the road when stopping to assist teammates, and not block the path of walkers. (Vehicles are required by law to be over the fog line and not in traffic lanes. Walkers are required to use the shoulders when available; team vans must exit the roadway completely to be clear of traffic and racers on the shoulder).
- Team Vehicles shall not block the roadway or race course at any time.
- Team Vehicles shall not block private residential driveways or roadways.
- Team Vehicles shall respect neighborhoods and others along highway and roads. The use of a horn (unless as a reasonable warning) and playing loud music may be unlawful.
- Team Vehicles may need to drive slower than the posted speed limit, but shall not impede traffic or follow on roads behind a walker.
- Team Vehicles shall obey the speed laws at all times.
- Open containers of alcoholic beverages are prohibited in any motor vehicle at all times when on a public highway.
- Team Vehicles shall obey drinking and driving laws at all times.
- Team Vehicles shall obey littering laws at all times.
- Teams agree to use approved restrooms and porta-potties, exclusively at all times.
- Except in an emergency, all drivers shall obey Oregon's cell phone law. Avoid distractions -no texting. Use hands-free devices.

# TEAM CATEGORIES

**PTC Men's Open:** All male walkers, any age

**PTC Mens Submasters Walking:** All males, minimum age of all runners is 30

**PTC Men's Masters:** All males, minimum age of all walkers is 40

**PTC Mens Supermasters Walking:** All males, minimum age of all walkers is 50

**PTC Mens Champion Masters Walking:** All males, minimum age of all participants is 60

**PTC Pacific Office Automation Corporate Mens Walking:** All males, any age and ALL from the same business

**PTC Women's Open Walking:** All female walkers, any age

**PTC Womens Submasters Walking:** All females, minimum age of all runners is 30

**PTC Womens Masters Walking:** All females, minimum age of all walkers is 40

**PTC Womens Super Masters Walking:** All females, minimum age of all walkers is 50

**PTC Womens Champion Masters Walking:** All females, minimum age of all participants is 60

**PTC Pacific Office Automation Corporate Womens Walking:** All females, any age and ALL from the same business

**PTC Mixed Open Walking:** Any age and at least half of the team members must identify as women or non-binary

**PTC Mixed Submasters Walking:** At least half of the team members must identify as women or non-binary, Minimum age of all runners is 30

**PTC Mixed Masters Walking:** Minimum age of all walkers is 40 and at least half of the team members must identify as women or non-binary

**PTC Mixed Super Masters Walking:** Minimum age of all walkers is 50 and at least half of the team members must identify as women or non-binary

**PTC Mixed Champion Masters Walking:** At least half of the team members must identify as women or non-binary, minimum age of all participants is 60

**PTC Pacific Office Automation Corporate Mixed Walking:** Any age and ALL from the same business and at least half of the team members must identify as women or non-binary

**PTC Non-Binary Open:** At least half of the team identify as non-binary or other self identification (age categories prompted as teammates register)

**PACIFIC OFFICE AUTOMATION CORPORATE CATEGORIES:**  
ALL team members must share the SAME employer. (Team Categories will update automatically on the 'Team Roster' page of your clubhouse as participants register.)

## DID YOU KNOW?

The first year of PTC was held in 1991 at the iconic Portland Waterfront.

# DRIVER GUIDE

**Driving the course requires just as much planning as walking the race. Follow the instructions included in the Driver Guide to navigate 127 miles with 2,000 other vans in a 36-hour time period.**

## DRIVE COURSE BEFORE THE RACE

- Take note of where all turns are located.
- Identify exchange zones and other areas prone to traffic congestion.
- Identify areas where parking is limited and plan accordingly.
- Take note of potential stop areas where the van can provide walker support.
- Know the locations of food and restrooms. Don't violate the law by going on private property.
- Locate gas stations, last fuel stop before Seaside is in St. Helens (Leg 18).
- Establish places, (other than exchanges), where your team vans can meet.
- Become aware of areas where vans won't be in contact with their walker and how to deal effectively.
- Cell phone coverage may not be available in all areas (particularly Legs 18-32).

## AREAS RESTRICTED TO ONE VAN

There are at least two areas on the course that will be restricted to one van per team due to narrow roads with limited space for high concentrations of vans.

- Between Exch 18 (Columbia Co. Fairgrounds) and Exch 23 (Nehalem Hwy N, Vernonia) Map shown in handbook (pg 59).
- Between Exch 31 (Olney Grange) and HWY 101 in Seaside (Leg 36). Map shown in handbook (pg 72).

## FREE TOWING & LOCK-OUT ASSISTANCE

As a service to participants, we've contracted with Roadside Assistance for roadside & lock-out services from Portland to Seaside. They can be reached at 503-616-0415 or cell: (971) 645-6182. If you are out of cell service, contact your nearest exchange leader who will radio the designated towing company on call.

## RULE REMINDERS

- No team members are allowed to cross highways or streets to give aid. Vans must pull over to that side of road and park.
- No parking/stopping within 500 feet of an exchange! Don't drop off teammates near the exchange zone. 30 minute penalty!
- Vans must obey all parking signage and parking instructions issued by Race Officials.
- Exchanges are marked with yellow paint on paved roads and pink flagging along gravel roads.

# KNOW YOUR ROUTE!

## CUT FOR EASY DIRECTIONS IN YOUR POCKET

### LEG 13 DIRECTIONS

- Exchange 12 ( OMSI Gravel lot at the end of SE 2nd Pl)
- ← .10 Turn **LEFT** onto the Tilikum Crossing walkway
- 0.14 Turn **RIGHT** onto the Tilikum Crossing
- 0.61 Turn **RIGHT** onto SW Bond Ave
- 0.83 Merge **RIGHT** onto Waterfront Park Trail
- ↑ 1.58 Hawthorne Bridge
- ↑ 1.81 Morrison Bridge
- ↑ 2.18 Burnside Bridge
- ↑ 2.45 Steel Bridge
- ↑ 2.49 UPRR - railway tracks
- ↑ 0.52 Merge onto SW Nato Parkway from the Waterfront Park Trail.

## WHAT PEOPLE ARE SAYING

"Hood To Coast Memories is a great read for anybody from newbie to multi-year veteran. Stories range from informative and factual, to funny and heartwarming, to sad or cringe-worthy."

—Geli Heidelberger, *Run Oregon Bookshelf*

"I hadn't done the relay in seven years and was reading Hood To Coast Memories and missed the race so much, I went straight to the 'teams needing runners' forum and found a team to join four days before the race."

—Wendy Moore

"I've wholeheartedly enjoyed the motivating, witty, funny and enlightening anecdotal narratives which many people can relate to here. You feel as if you're running right alongside each of the participants."

—Felicia Hubber, *Chairwoman & Race Director, HTC & PTC Relays*

"Great read, insightful, and truly entertaining to learn about this 'Mother of All Relays.' Delightful array of stories and well organized offering a real window into the memories of those who have been a part of it over the years."

—Amazon

"What I found amazing in Hood To Coast Memories is that my own story of finding the nothing-else-compares level of camaraderie and friendship I found was similarly playing out amongst so many other runners and teams."

—Jeff Boly, *Team Mr. Mojo Risin'*

## ABOUT THE BOOK

*Hood to Coast Memories* features personal recollections from "The Mother of All Relays." Runners, walkers, volunteers, event organizers, and many others share their memories from the almost 200-mile relay race from Mt. Hood to the Pacific Coast. The book captures the history, character and appeal of the race that began in 1982 with just 8 teams and 80 runners, and has grown to more than 1,000 teams and over 12,000 competitors.

#### OREGON WOMEN IN TIMBER

FRIDAY 10:00PM - CLOSE

Muffins, donuts, sweetbread, coffee

# VAN 1 ROUTE TO FINISH

## NOTES

This route takes 45-50 minutes to Seaside and is substantially faster than following the race course.

**ONLY VAN 2 WITH A COLORED "RACE VEHICLE" SIGN IN WINDOW WILL BE ALLOWED TO PROCEED ON THE COURSE BETWEEN EXCH 31 AND SEASIDE.**

## VAN 1 DIRECTIONS FROM EXCH 30 TO FINISH

0.00 Exchange 30 (87232 HWY 202)

↑ 0.00 Continue north on HWY 202 following race course

↑ 4.30 Exchange 31 - continue north on HWY 202 (Van 2 breaks off here)

↑ 13.55 At the traffic circle take the 2nd exit onto HWY 101 S towards Warrenton/Seaside  
Continue on HWY 101 S for 25 miles to Seaside

27.00 You've made it to the finish in Seaside!

The First Tech Finish Line is on the beach at the end of Broadway St (commonly called "the turnaround/prom") in Seaside. Park at Seaside High School and meet your anchor walker one block north of the turnaround on the beach where Oceanway Ave dead-ends at the beach.

# VAN 2

# 3.96 MI | MODERATE

Recycling, ATM, basic first aid within Beach Party. See pages 8 & 9 for more on festivities and entertainment!

Open containers on promenade are not allowed.

# LARRY DUTKO

1949-2023

“The magic of this race was that we’re running with some new friends that quickly became “best friends” and this bonding of running together as a team was something that we all missed since our days of high school. It is an amazing emotion that running with a team creates”.

Larry Dutko was the longest running Hood To Coast participant, having run in the event every single year since its inception in 1982. Larry and his longtime teammates from ‘Dead Jocks in a Box’ were celebrated as well in the 2011 ‘Hood To Coast Movie’ and are known to have been one of the very first teams to come up with van decorations and the power arch! Larry’s contagious enthusiasm for exercise, laughter, and positivity will be greatly missed. Let’s honor his memory as we run Leg 36 and wear LD40 on our team wrist wraps.

---

## LD40

# DIRECTIONS TO SEASIDE AVAILABLE PARKING

## DRIVING DIRECTIONS

**Vans** follow walker route until reaching Wahanna Rd/HWY 101. Vans must turn **RIGHT** onto HWY 101. The best place to turn around is about 0.9 miles north at the Pacific Way signal light. Proceed to available parking.

## PARKING LOTS

**Broadway Middle School** - 1120 Broadway St, Seaside, OR 97138

**Broadway Park** - 1300 Broadway St, Seaside, OR 97138

**Seaside High School** - 1901 N Holladay Dr, Seaside, OR 97138

**SHUTTLE SERVICE (FREE)**-Walks every 15 minutes to Convention Center from **Northcoast Family Fellowship Church**

Running Tip #34:

**RUN LIKE  
YOU SEE A  
BURGERVILLE  
AHEAD.**

**GET THE APP. SAVOR THE REWARDS.**

# REAL INGREDIENTS FOR REAL ADVENTURE

# MANAGING HYDRATION For Relay Events

## STRATEGIES:

- 💧 Calculate your sweat rate and fluid needs per hour
- 💧 Practice hydration during training, in different temperature conditions
  - If < 60 min, water is sufficient
  - If > 60 min, use sports drink or water + gel/blocks/beans
  - Use a hand-held water bottle, waist pack, or hydration vest
- 💧 Plan for your event
  - Purchase and prep drinks for each leg of the relay
  - Extra fluid needed for hot temps and high elevations
- 💧 After each leg
  - Replace electrolytes, carbs, and protein (goal 15-20 grams), replenishing fuel stores for next segment

### Sports Drink

- Can be consumed while exercising
- Replaces electrolytes after workout/ event

### Protein Shake

- Consume after exercise
- Replaces protein, carbs, and electrolytes after workout/event

### Calculating Sweat Rate:

- Urinate, then weigh yourself unclothed
- Exercise for 1 hour (if possible, avoid drinking or urinating)
- Re-weigh yourself unclothed

Pre-exercise weight - Post-exercise weight =  
Weight lost during 1 hr of exercise

- Each pound lost = 16 oz fluid
- Example: 150.0 lb pre weight

-147.2 lb post weight

-2.8 lb x 16 oz =

45 oz fluid lost per hour while exercising

## Hydration Science

Most people know about sodium, but sweat also contains magnesium and potassium, which are important in maintaining fluid balance and muscle function. A lack of either mineral can worsen the symptoms of dehydration and cause extreme muscle cramps. Good sources include:

**Magnesium:** Leafy greens, almonds, pumpkin seeds, tofu, flaxseeds

**Potassium:** Bananas, pomegranate juice, beets, tomatoes, oranges

## Hydration Status Guide

Urine color can be used to determine hydration level. The darker the urine, the more dehydrated you are. The goal is a pale yellow color.

### Symptoms of Heat Exhaustion

- Excessive sweating
- Nausea/vomiting
- Cold, clammy, pale skin
- Dizziness Headache
- Muscle cramps
- Rapid pulse

### Symptoms of Dehydration

- Extreme thirst
- Very dry mouth, lips, eyes
- Dark yellow, odorous urine
- Irritability
- Dizziness
- Confusion
- Lack of sweating
- Rapid breathing/heart rate

# BY THE VAN: Warm Up & Cool Down

A good dynamic warm up is an essential element of any physical activity. Devoting time to a thorough warm up can help improve performance by increasing core body temperatures, preparing muscles and joints for movements, sharpening mental focus, and, importantly, decreasing injury risk. A cool down can help your body get back to rest and recovery quicker, as well as keep your muscles and joints in good working order.

## WARM UP

### HIP FLEXOR STRETCH

Place one foot on the ledge of the van inside an open door, with your other foot down on the ground. Stand tall, lean forward into van keeping both feet flat, until you feel a moderate stretch on the front of the hip, then return to start. Repeat 15 times each side, holding for 1 sec during stretch.

## START

## FINISH

## COOL DOWN

### HIP FLEXOR STRETCH

Same set up as the warm-up, but HOLD the moderate stretching sensation for 30 sec. Repeat 2-3 times on each side.

### STANDING CALF STRETCH

Using van for balance, lunge one foot a few feet forward, keeping both feet flat on the ground. Bend the front knee and lean forward, keeping the back leg straight and the back heel flat on the ground until you feel a moderate stretch on the back of your calf and knee. Repeat 15 times each side, holding for 1 sec during stretch.

### STANDING CALF STRETCH

Same set up as the warm-up, but HOLD the moderate stretching sensation for 30 sec. Repeat 2-3 times on each side.

### STANDING HAMSTRING

Place one heel on the ledge of the van inside an open door. Stand tall and lean forward, keeping your back straight and neutral. Keeping both legs as straight as possible, lean until you feel a moderate stretch on the back of your knee and thigh on the leg resting inside the van. Repeat 15 times each side, hold for 1 sec during stretch.

### STANDING HAMSTRING

Same set up as the warm-up, but HOLD the moderate stretching sensation for 30 sec. Repeat 2-3 times on each side.

### STANDING ITB STRETCH

Stand next to the van for balance if needed, cross one leg in front of the other and then stand tall with arms overhead. Reach arms away from the front leg, pushing your hips towards the side until you feel a stretch down the side of your outer hip and spine. Repeat 15 times each side, hold for 1 sec during stretch.

### STANDING ITB STRETCH

Same set up as the warm-up, but HOLD the moderate stretching sensation for 30 sec. Repeat 2-3 times on each side.

### STANDING QUAD STRETCH

Using the van for balance as needed, keeping tall, reach down and grab your foot near the toes, pulling it behind you. Keep your thighs together and hold until you feel a moderate stretch on the front of your thigh as well as front of your ankle. Repeat 15 times each side, hold for 1 sec during stretch.

### STANDING QUAD STRETCH

Same set up as the warm-up, but HOLD the moderate stretching sensation for 30 sec. Repeat 2-3 times on each side.

**HAMPTON**  
LUMBER & FAMILY FORESTS

*Oregon's Working Forests*

**HELPING TO KEEP THE  
PACIFIC NORTHWEST  
GREEN & GROWING**

~100,000 ACRES OF  
TIMBERLAND OPEN  
TO PUBLIC  
RECREATION

4 SAWMILLS IN  
NORTHWEST  
OREGON

LAST YEAR, OUR  
OREGON MILLS PRODUCED ENOUGH LUMBER TO  
FRAME **+55,000** SINGLE-FAMILY HOMES.

THAT WOOD STORED **1.2M**  
**METRIC TONS OF CO<sub>2</sub>E** IN THE BUILT  
ENVIRONMENT.

ENOUGH TO **OFFSET THE ANNUAL EMISSIONS OF**  
**+261K** PASSENGER VEHICLES.

WE THEN REPLANTED OVER **1M** TREES -  
4 FOR EVERY 1 WE HARVESTED FOR WOOD  
PRODUCTS.
