

2024 HOOD & PORTLAND TO COAST VOLUNTEER DRIVING GUIDE

Volunteers expect traffic delays. PLEASE be on time to your shift!

EXCHANGES 1-17: Expect little to no delays.

EXCHANGES 18-22: Expect to add an extra 30 minutes to commute for traffic.

EXCHANGES 23-35: Expect to add an extra 60 minutes (potentially) to commute for traffic delays.

If you're able to arrive early for your shift, seek the volunteer parking area, check in with your Exchange Leader (wearing official HTC polo and cap), become familiar with the volunteer roles and responsibilities, and transition to the job assigned you by the Exchange Leader. Most importantly, enjoy the race and enforce rules (www.hoodtocoast.com/htc/relay-info/)

Volunteer: works at the exchange (various duties; from calling out race numbers, to parking race vans, to garbage pick up).

Volunteer Monitor: reports to exchange and is given directions to drive (with one other monitor) to specific turn on course. Directs participants/vans at turn. Bring a folding chair, -you'll be in one place!

RACE COURSE EXCHANGES: Report to Exchange assigned approx. 15 minutes before shift time. Stand at the orange flag on an 8' pole along the side of the road. Look for the Exchange Leader, wearing a "Race Official" hat and polo. Tell the Exchange Leader your name and the team number that you are volunteering for. They will have you sign in. The Leader will assign you to a specific job, (e.g.: not permitting vehicles to stop in the middle of the road to drop off runners/walkers, directing exchange parking, etc.). Make sure to check out with the Leader prior to leaving your job AND sign out. This is the only way to verify you were there and completed your full shift. Without verification, the team you represent will be disqualified.

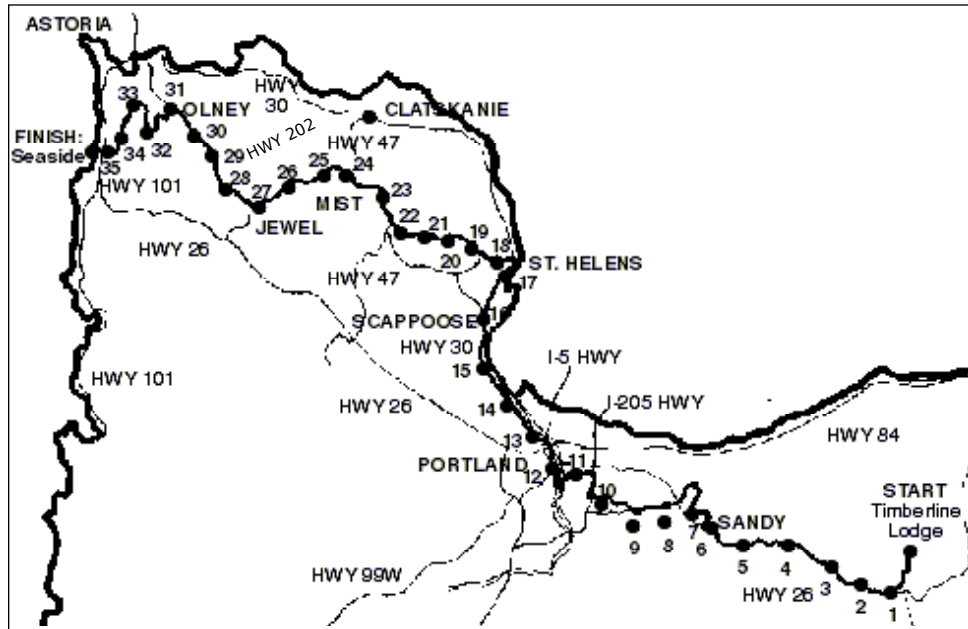

START (HTC: Timberline Lodge, approx. address: Timberline Lodge, OR 97028) (PTC (NEW): Adjacent to the east side of the Tilikum Crossing Bridge, just south of OMSI: 2210 SE Water Ave, Portland, OR 97214. Report to the Start Area approximately 10 minutes before your "Start Time". Check in at the Information / Volunteer Check-in Table. The Start Director will assign you to your specific job at this time. Make sure to check out at the Volunteer Check-in Table prior to leaving and sign out.

FINISH (On beach at end of Broadway in Seaside. Approx. address: 30 North Promenade, Seaside, OR 97138). Report to the Finish Area approximately 15 min before your "Start Time". Sign in at the Information/Volunteer Check-in Table. You will be assigned to a specific job at that time. Make sure to sign out at the Volunteer Check-in Table prior to leaving. This is the only way we can verify you were there and served the full shift. Without that verification, the team you represent will be disqualified.

DRIVING TO EXCHANGES 30 - 35:

To avoid heavy relay traffic delays, we recommend the alternate route: from downtown Portland, merge onto I-405 N toward US 30 W. Merge onto US 30 via exit 3 toward St. Helens. Continue 93.7 miles to Astoria. Recommend to look up directions online from Astoria to address indicated for your exchange.
